## Thank you for placing your order with TheGunDock.Com!

**\*\* COVID-19 Pandemic - Extended Leadtimes \*\***  
**\*\* YOUR RESPONSE MAY BE REQUIRED \*\***

We want you to be aware that due to the COVID-19 pandemic, we are experiencing delays in shipping by up to 2 weeks in some cases. This does not mean your item is OUT OF STOCK or on BACK ORDER, just that we are experiencing a major rush of orders and we are processing as quickly as possible to get products out the door to you. **If this is unacceptable to you, we request you email us immediately with your order number below and cancel.** Otherwise, we will process your order as quickly as possible. Two weeks is a "worst" case scenario, but some shipping windows have extended that far. Please be aware!

**Kentucky recognizes firearm dealers as "essential" businesses so do not be concerned that we will close. We will absolutely be working throughout the entire pandemic and will adapt as necessary in order to continue to ship, replenish, ship, etc.. and we have no plans to stop.** Again, we only ask for your patience and understanding that not only have we experienced challenges with our systems, personnel and resources with the "state of emergency", but also a major rush in orders due to many American's exercising their 2nd amendment rights.

### NOTICE FOR FIREARM ORDERS ONLY!

**Firearm Orders will NOT SHIP until we receive a fax or email copy of your dealer's FFL**

The FFL list you used during checkout is for REFERENCE ONLY. We will still need a copy of your dealer's FFL to proceed with the order.

Please Note - All online firearm purchases, by law, must be sent to a valid Federal Firearms License holder for transfer to you. Prior to placing a firearm order you will want to decide what FFL to have the firearm sent to. It is your responsibility as the customer to contact the dealer prior to purchasing to ensure they will accept your transfer and to go over any additional requirements they may have.

Please make sure your dealer references both your name and your order number if they are sending

a copy of their FFL for your order. In addition, please make sure to include your order number on any correspondence with us. You will receive your order number after you finish the checkout process. Once we have the FFL for your purchase in hand we will process the order for shipment. Please note that processing times are separate from actual shipping times. Processing times prior to shipment of firearm orders are normally 1 to 3 business days providing we have the FFL information needed.
